I am CSE junior undergrad student at VIT, Vellore. I like models, physical, social and computational and understand how they develop and work.

I look forward to work in your organization to give the best of my input and improve my skillset through the same.

EXPERIENCE

JULY 2020 – JAN 2021

EDITORIAL CHAIR, SMILE OVER STRESS, VIT

Served as the first Editorial Chair for Psychology Club (SOS, VIT), VIT.

Helped to formulate basic motives for the club and aided in its outreach and marketing ideas.

Cleared some additional Coursera courses or both extra credit and pure curiosity.

SKILLS

- Python
- C
- R programming
- ML
- Content Presentation
- Sincere
- Curious
- Friendly

ACTIVITIES

I love reading, writing and also telling stories to people. Other than this, history, sociology and psychology appeal immensely to me.

I am proficient in both English and Hindi and have elementary proficiency in Japanese, for which I completed a university course and also secured a certification in level A2 Japanese.
